11:10-11:20	Presentation <i>Representative of Japan</i>
11:20-11:50	Discussion
11:50-12:20	IRENA: Official launch of the “Mongolia Renewable Readiness Assessment Report”
12:30-14:00	Networking Lunch Break

CONNECTING CONTINENTS: INTERCONNECTION /HALL 1/

- Moderators:** **Representative of /International Renewable Energy Agency/
Mr.Zafar Samadov /Senior Expert of Energy Charter Secretariat/
Mr. Robert Schoellhammer /Asian Development Bank/**
- 14:00-14:15 Vattenfall Stock Exchange Import/Export
Name and Position
- 14:15-14:30 China as a model to the world for the massive introduction of renewable energy
Mrs. Fang Lv, Electrical Engineering Institute, Chinese Academy of Sciences, China
- 14:30-14:45 Cross-border electricity transmission Law of Germany
Alex Schulz, Technical University of Hamburg, Germany
- 14:45-15:00 Presentation
Representative from Korea
- 15:00-15:15 Presentation
Han Kyung Seop /President of Asian Wind Energy Association/
- 15:15-15:45 Discussion
- 15:45-16:15 Coffee Break

GREEN ENERGY FUTURE, INVESTING FOR RENEWABLE ENERGY /HALL 2/

- Moderators:** **Director of European Bank for Reconstruction and Development
Mr.Gankhuyag D. /Clean Energy Asia/
Representative of GDF Suez**
- 14:00-14:15 Presentation
Representative of Ministry of Environment, Green Development and Tourism of Mongolia
- 14:15-14:30 Experiences in integration of renewable energy sources in the German power supply system
The German Energy Agency /DENA/
- 14:30-14:45 Investing in Renewable Energy: SREP Climate fund project activities ADB/WB
- 14:45-15:00 Egiin Hydro Power Plant project financing
Representative of Egiin HPP Project Unit
- 15:00-15:15 Funding Opportunity for RE projects in developing countries through IRENA/Abu Dhabi Fund for Development Facility/Kuwait Fund
Representative from IRENA
- 15:15-15:45 Discussion
- 15:45-16:15 Coffee Break

GOBITEC AND ASIAN SUPERGRID / HALL 3/

- Moderators:** Mr.Enebish Namjil /Mongolia/
Mr.Jinsoo Song /Korea/
Representative from State Grid /Position, Country/
- 14:00-14:15 Asian Super Grid - Vision and Action
Mr. Enebish Namjil, Professor of National University of Mongolia
- 14:15-14:30 Energy from the Desert: Large Scale PV power plants for shifting to renewable energy future
Mr.Keichi Komoto, Mizuho Information & Research Institute, Inc. Japan
- 14:30-14:45 Presentation
Energy Charter, Desertec
- 14:45-15:00 Clean Energy Asia
Representative of Softbank
- 15:15-15:30 Hydro power and Pumped storage devices in Mongolia
GDF Suez/Tractebel Engineering
- 15:30-16:00 Coffee Break
- 16:00-17:00 OPEN DISCUSSION /MAIN HALL/**
- Moderator:** TBD
- Panelists:** Representative of International Renewable Energy Agency
Mr. Robert Schoellhammer, Asian Development Bank
Director European Bank for Reconstruction and Development
Mr.Gankhuyag D., Director of Clean Energy Asia LLC
Representative of GDF Suez
Mr.Enebish Namjil, Mongolia
Mr.Jinsoo Song, Korea
Representative of State Grid
